Welcome to FVSRA Summer Day Camp! At our camp, we strive to be a safe place both physically and emotionally, where campers can explore new skills with confidence. Because safety is a fundamental part of our camp, our camper-to-counselor ratio is based on the campers' overall needs. This personalized attention ensures a great recreation experience for each camper. Leadership Team Members are present at all activities to bring professional experience and supervision to each aspect of camp.

All Summer Day Camp staff members complete extensive and ongoing training in behavior management and adaptive camp programming. FVSRA is committed to providing an environment that is safe and fun while nurturing and developing social skills, motor skills and community awareness. This summer, campers can expect activities to include sports, crafts, swimming, field trips, and group games.

I am excited for the opportunity to have your loved one complete our puzzle by joining us this summer at Day Camp!

Sincerely,

Claire Howes, CTRS

About FVSRA

Fox Valley Special Recreation Association (FVSRA) exists to provide recreation and leisure opportunities for its residents with special needs. FVSRA serves as an extension of seven park and recreation agencies throughout the Fox River Valley region including the Park Districts of Batavia, Fox Valley, Geneva, Oswegoland, St. Charles, and Sugar Grove, and the South Elgin Parks & Recreation Department.

FVSRA Mission

The mission of FVSRA is to enrich the lives of people with disabilities.

Working collaboratively with member agencies and community partners, we pledge to put PEOPLE FIRST.

Inclusion

FVSRA provides assistance and accommodations to our Member Agencies (see above) to include residents with disabilities into their program at no cost to the individual. Accommodations provided by FVSRA include special training for staff, adapted equipment, physical assistance, communication tools or a program companion. Inclusion services can be requested by marking the "special accommodations" field on the Member Agency registration form. FVSRA requires a two week window in order to coordinate and accommodate these services. For more information, please contact the Inclusion Manager at (630) 907-1114 ext. 1206.

Don't Be Puzzled General Information

Our day camps are specifically designed for children and young adults with disabilities. Within each camp, staff ensures that activities and games are both age and developmentally appropriate, often breaking out into smaller groups throughout the day. Parents and guardians can expect ongoing communication through our Camper Packet and weekly newsletters. Campers can expect to have fun, make new friends and have an unforgettable summer.

Participant Expectiations

Wear appropriate attire for program participation (i.e. for athletic/fitness programs comfortable clothing and tennis shoes need to be worn). If there are questions about the type of attire participants should wear, please contact the office.

Arrive at program or transportation site displaying proper hygiene and body odor. FVSRA staff will also be consistent in stressing personal hygiene while participants are in programs and will not return participants at the end of a program in an unclean manner.

Be willing to voluntarily participate in the scheduled activities. FVSRA staff encourage and aid, but do not force participation.

Participants who require assistance with toileting must wear appropriate undergarments while in the pool such as swim diapers or rubber covers.

Parent/Guardian Requirements

When dropping off or picking up a participant from a program, it is mandatory for the parent/guardian or caretaker to check in with the FVSRA staff.

All participants' belongings should be clearly labeled as FVSRA is not responsible for lost or stolen items. Contact the FVSRA office or Site Director if the participant will be absent from a program.

Adhere to scheduled pick-up and drop-off program.

Participants cannot be left unattended before or after the designated program time.

Provide FVSRA Staff with additional supplies such as undergarments, diapers/depends, wipes, extra set of clothing, etc. for participants who require assistance with toileting.

Resident/Non-Resident Policy

Residents will be given priority when registering for programs. Residents include all individuals who live within the boundaries of the Fox Valley, St. Charles, Geneva, Batavia, Oswegoland, Sugar Grove Park Districts and the Village of South Elgin Parks and Recreation Department. Any individual who lives outside the participating Member Agencies' boundaries is considered a non-resident and will be required to pay non-resident fees when registering for programs. Non-resident registration opens on April, 8th. Any questions regarding the non-resident policy should be directed to Executive Director, Alex Engelhardt at (630) 907-1114.

Medication

We recognize that some of our participants may need to take medications while participating in our programs. FVSRA has established procedures to help staff maintain and distribute medications in a safe and documented manner. It is important for all parties to understand our procedures and work together to manage this responsibility.

Please familiarize yourself with our Medication Procedures. These can be found on our website at http://www.fvsra.org/forms/Medication Dispensing Form, or you can request a copy by calling the FVSRA office. For the safety of all, guardians must sign and return Permission to Dispense Medication/Waiver and Release of All Claims form at least two weeks prior to the start of camp.

Medication cannot be delivered via personal belongings, i.e., in lunch boxes, backpacks, etc. They must be handed directly to the Site Director on a daily/weekly basis in individually sealed medication envelops, which include the camper's name, medication, dosage, and time of day the medication is to be given.

Behavior Management Policy

All participants, patrons and spectators are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make programs safe and enjoyable for all. Additional rules may be developed for specific programs as deemed necessary by staff.

The agency insists that all participants, patrons, and spectators comply with the following FVSRA Code of Conduct:

Show respect to all participants, staff, volunteers, and patrons.

Listen to and comply with staff direction and program rules including staying within program boundaries. Allow others in the program and those at public facilities to enjoy the activity without disruption. Refrain from using foul language or other offensive behavior such as rude gestures, sexually explicit language, or inappropriate touching.

Refrain from threatening or causing bodily harm to self, other participants, patrons, or staff.

Show respect for equipment, supplies, and facilities.

Not possess any weapons, illegal substances, or alcohol.

Not be under the influence of alcohol or drugs which would impair the ability to safely participate in the program.

A positive approach will be used regarding discipline. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual's situation. The agency reserves the right to dismiss a participant, patron, or spectator whose behavior endangers their safety or the safety of others. If a participant is suspended from FVSRA programs, a meeting with the Superintendent of Recreation, the participant, and their guardian will be scheduled to determine the requirements to return to FVSRA programs.

The FVSRA Sensory Room is a controlled multi-sensory environment that provides opportunities for participants to engage senses through various stimuli such as lights, color, sounds, aromas and textures.
